The Haven is generously allocating over 70% of its space to those with flex memberships, making it accessible to those seeking an inspiring workspace community without the costly commitment of a private office.

Rent is tax-deductible as a business expense: Rent is discounted 5% when paid annually.

* Non-profits, teachers and military receive 10% off memberships.

Room Bookings For Members

Our rooms are not just for business meetings. Think about booking The Haven for things like your monthly book club, a football or season finale watch party, a birthday party or baby shower!

Members receive 50% off room bookings and monthly meeting room credits. To keep room rates low for members we have separated out the cost of beverages and allow the member to decide if they want to include beverages for their group or not. Drinks can be added to your booking using the app.

You are also welcome to bring any food you want into the space. Members can book a room using The Haven App or email frontdesk@worklifehaven.com
